

Breakout session 1: Delivering holistic care to RD patients: policy priorities and opportunities

<i>4 groups: 1 facilitator/group, 1 overall facilitator</i>		
Looking at care delivery to and access to services for patients with rare diseases and their families: what are the key issues for policy in your country?	Think 5 min, put on post-its. Hand to facilitator, explain. Facilitator clusters them by subject, hopefully some clusters emerge	15 min
How do you address them?	Discussion in group Facilitator takes notes on other color post-its in consultation with group, put next to clusters as comments	15 min
Looking at the findings in comparison: Where do you see opportunities to advance these issues?	2-sided flipchart: opportunities – obstacles Group to discuss, take notes on post-its.	10 min
Where do you see obstacles ?		
<i>Flipcharts arranged in room; facilitators point out key issues and findings, overall facilitator comments. 15 min</i>		

Breakout session 2: Directions for scaling & sustaining INNOVCare and integrated care for rare diseases

<i>4 groups: 1 facilitator/group, 1 overall facilitator</i>		
<i>Pick up on discussion yesterday, some connections with morning findings – looking into the future</i>		
In the light of the discussion of INNOVCare, integrated care and other initiatives: what would you like to see achieved in 5 years' time in care delivery to and access to services for patients with rare diseases and their families?	Think 5 min, put on post-its. Hand to facilitator, explain. Facilitator clusters them by subject, hopefully some clusters emerge. Share impressions – consensus, dissent?	15 min
What are your strategies to achieve this?	Think 5 min, put on post-its. Hand to facilitator, explain. Facilitator clusters them by subject, Group discussion on commonalities and differences Facilitator takes notes in consultation with group, put next to clusters as comments	15 min
Which elements of INNOVCare are the most interesting for you to learn from, build on, expand? From other concepts and initiatives?	Think 5 min, put on post-its. (1 color for INNOVCare, another for other). Hand to facilitator, explain.	10 min
<i>Flipcharts arranged in room; facilitators point out key issues and findings, overall facilitator comments. 15 min</i>
